# **AFTERSCHOOL PROGRAM**

#### **Overview**

OneKick Afterschool Martial Arts Program offers a safe, fun and educational experience for children in kindergarten through 5<sup>th</sup> grade in our program. A typical day will be filled with quiet time for finishing their homework, arts & crafts, structured physical activities and professional martial arts instruction. Pick-up time runs until 6:00pm. In addition, our well trained, enthusiastic, and professional staff enjoys providing each child an opportunity to learn, mature and have fun in a safe environment.

## Martial Arts Class and Character Development Lesson

Each day, our students participate in a traditional martial arts class led by a professional black belt master instructor. Students can expect to improve discipline, focus, self-defense and physical fitness. Students will participate in the same class curriculum as full time taekwondo students.

## **Physical Activity**

Our spacious floors allow for safe and fun structured physical drills, and students can choose to go our activity room for snack time, interactive board games, leisure arts and crafts, or reading time.
